

## ACTIVITY ROUND –UP

When the nation went indoors due to the nationwide lockdown from March 2020, due to the COVID 19 scare, life became monotonous and miserable, specially for the children, who missed the school badly. Though initially they were happy to be home, soon they felt imprisoned and lost interest.

We, at Holy Mother's Academy, started the new session of 2020-2021, with online classes. Getting adjusted to the New Normal took us some time. Gradually, both the teachers and the taught got acquainted to the system and adapted to it.

To make the classes interesting, online activities started being conducted every weekend. The students were excited to participate in these activities.
